My translation of the above is: **“The combination of the Internet, Cell Phones, and tablets”** that can be used to read content and listen to audio messages, make it possible to have another:

Jesus People Awakening, NOW!

In 1961, when I was 25, I trusted in Jesus as my Savior. Three years later, I graduated from Western Seminary. **My boots were on the ground before, during, and after the Jesus People Movement in the 1960's & 70's.** First on **Campus Crusade for Christ staff** (now Cru), then as pastor of **Grace Bible Church in Bryan/College Station, Texas.** www.grace-bible.org

After I finished writing *The Master Plot of the Bible*, and *As You Are Going... Make Disciples* in 2001, I recorded four 80 minute audios. From them, **I made several files of from 9 to 39 minutes long, to attack & answer the questions skeptics use to destroy the faith of young believers.**

These audio mp3 files are FREE. Evaluate them, and you will want your members, high school students, and young adults, to have copies in their phones. **All of these audio files can be downloaded from: <https://www.evidenceforskeptics.com/answers.pdf>.** They are then personal possessions, with permission to give copies as gifts for any reason.

America is now ready for a new start. I have tee shirts, with **“What happened?”** (silk screened on the front) and www.histombisempty.info under it, and **“God is not silent”** on the front with www.HeHaspoken.info under it. **Both have, ‘It is better to have a great date now, than a hot date with the devil later!’** in four lines on the back with www.datewithgod.org under it. That page has a link for a presentation of the Gospel, that can be read on a phone. **Evaluate those web pages, and you will want your students to wear these tee shirts.**

An employee with CCCreations assures me that he can provide **the tee shirts** for about \$12 each for church groups all over America. He will process orders. **I will not take orders.** He can be reached by calling **(979) 693-9664** and asking for **Riley Tolbert**, or sending an e-mail to r.tolbert@cccreation.com.

These tee shirts are companions to my strategy to **prevent church dropouts.** Please read my web page: <https://www.gospelgiftbooks.com/preventdropouts.com>

Please help us have another **Jesus People Awakening.** By your forwarding my emails (a few will follow this one) to leaders in other churches, we can later rejoice together in Glory. If I get there first (I'm 89), I will wait for you. Then we will praise God for His blessing us with another:

Jesus people awakening!

A New Testament faith, without an Old Testament foundation, is a fragile faith. The Master Plot of the Bible will lay that foundation in the reader's life. It's only \$3 for the e-Book that can read on a phone, tablet, or PC : www.amazon.com/s?k=Bob+Prall+e-books
